

Bob-Raft

From €34

Location

La Plagne, one of the best Bobsleigh tracks in the world, the only bobsleigh track in France, has 19 bends and is over 1500m long.

It was built for the Olympic Games based in Albertville in 1992.

Operation Times

Dependant on ice conditions - Open certain times Tuesday to Sunday

Regularly used for training purposes by the Worlds best teams means that opening hours are limited – contact Whitetracks for available times - Reservation Essential

Operation

Experience the thrill that is not far removed from that to be had in competition bobsleighs. Invented to let the general public have a try at this thrilling sport on ice, the Bob raft allows 4 passengers to embark on a descent at the top speed of around 80km/h whilst experiencing a maximum of 2 ½ G's in a self steering self braking raft.
